July 10, 1992

Peter Parks
2434 NE 16th
Portland, OR 97212

Dear Mr. Parks:

I certainly remember you from our several brief meetings during campaign season. Given the tremendous performance of Charlie's campaign, and assuming your contribution was partially responsible, I'd say you've demonstrated convincing competence in reading and shaping public opinion.

This time around, for a change, I decided not to be personally involved in the selection process for the Council Analyst position. So, although I have nothing but favorable impressions of you, I feel it would be inappropriate to make a recommendation to the selection committee.

I hope you understand this position. As you can imagine, there will probably be a large number of well-qualified applicants. I hope you fare well in the review of applications and the interview stage of the process.

Best of luck in this endeavor and in the fall.

Sincerely,

Jim Gardner
Presiding Officer

June 25, 1992

Dear Mr. Gardner;

I am applying for the Associate Council Analyst position at Metro and would like you to recommend me to the people who do the hiring. We met at the Metro Growth Conference, at a neighborhood debate, and again on election night. I am the one often seen shadowing Charlie Hales, and I have volunteered for his campaign since he was at 2% in the polls.

One of the main reasons I volunteered for Charlie was my belief in the need for stronger regional government. If I get in at Metro, I intend to stay there. This job is half time, so that would allow me to work on the campaign if that is permissible. If not, I will continue with my many community activities.

I have enclosed my resume. Thank you for your time.

Sincerely,

Peter Parks

Jane A. Graybill
21130 NE Interlachen Lane
Troutdale, OR 97060

Dear Ms. Graybill:

The situation you describe regarding Fairview Lake is very disturbing. I'm sure most people in the area believed that Multnomah County's action to declare those areas of environmental concern would prevent wholesale development, but perhaps this is not the case.

The Metro Greenspaces program is probably the best, and the last, opportunity to preserve significant areas of open space and wildlife habitat in our increasingly urban region. I am totally committed to this program and the ballot measure needed to fund it. And right now I'm convinced that the measure should be on this November's ballot.

Thank you for writing, and for your support of Metro Greenspaces. We'll need all of your help in November, too, so stay ready!

Sincerely,

A handwritten signature in cursive script that reads "Jim Gardner".

July 2, 1992

Mr. Jim Gardner, Presiding Officer
Metro Council
2000 S.W. First Ave
Portland, Or 97201

Dear Mr. Gardner:

My neighborhood association, Interlachen Inc., is in unincorporated Mult. Co., and has been independent for 60 years. We are in one of the most scenic and wildlife habitat areas of east Mult. Co., being situated on two lakes that parallel the Columbia River. One of these lakes, Fairview Lake, is currently being threatened by massive development plans.

Because of the threat of loss of about 140 or more acres of habitat and farm land we have formed a land trust with the help of Jack Broome of Wetlands Conservancy. We have been writing letters, going to meetings, for almost 2 years, and cannot seem to pull enough concerned people together from all the various agencies to help us in preservation.

The City of Fairview wants to put 2 to 3,000 people on the east, south and west ends of the lake in all SIGNIFICANT ENVIRONMENTAL CONCERN identified areas by Mult. Co. in 1980 ORD #234. The City's next step July 30, 1992, is to annex $\frac{1}{2}$ of the BOTTOM of Fairview Lake in order to make it easier for developers to go through one set of permits instead of two. Next, they will change 80% of the SIGNIFICANT ENVIRONMENTAL CONCERN land to their own zoning designations for easier development.

But the ground water contamination problem looms underneath us with even more threat. The large plume of TCE and PCE is migrating from the Boeing, Cascade, Viking and Swift Industries towards our wells in the underground aquifers. This same area is the back-up water supply for the City of Portland, but most likely completely unusable at this time. The City of Fairview is our back-up supply. What if their wells become contaminated?

Perhaps our only hope remains with the Greenspaces Program. The very act of saving our habitat area around Fairview Lake would help to recharge these threatened aquifers. We have very little time left. The City of Fairview is on the march with no one to stop them. Example: last evening they changed the zoning of a site containing 2 Significant Environmental Concern creeks that flow into Fairview Lake, from agricultural to General Manufacturing.....we voiced a strong opposition and gave suggestions....they waived for about 5 minutes, then went ahead and passed the zone change.

PLEASE PUT THE GREENSPACES PROGRAM ON THE BALLOT IN NOVEMBER. Thank you.

Sincerely,
Jane A. Graybill

September 1, 1992

Dear :

I am writing on behalf of the Metro Council to thank you for your application to the Metro Committee for Citizen Involvement (Metro CCI), and to update you on the progress of the nomination process.

There was an unfortunate procedural error in the selection process by the Multnomah County Citizens Involvement Committee. The Metro CCI Bylaws require that, "Each Metro Councilor shall be invited to participate in the selection process for the nomination of the representative from their district." This portion of the process was not followed by the Multnomah County CCI when they convened and made their nominations.

As a consequence of this oversight, the Metro Council requested that Multnomah County hold another nominating meeting. All of us felt strongly that we needed to notify you immediately, and to assure you that your application is being carefully considered for this position.

Thank you again for your interest and patience during this process. We look forward to completing the membership of the Metro CCI, and will contact you as the nominations proceed. If you have questions regarding either this process or your application, please feel free to contact Judy Shioishi, in the Metro Council Office 221-1646 extension 358.

Sincerely,

Councilor Jim Gardner

September 1, 1992

Dear :

On behalf of the Metro Council, I am pleased to inform you of your appointment as a member to the Metro Committee for Citizen Involvement (Metro CCI).

I want to take this opportunity to congratulate you, and let you know that we are all looking forward to the Committee's assistance in involving citizens in the "process" Metro uses for decision making.

We had hoped to have a full CCI by this time. However, a second round of nominations has become necessary, as some of the positions remain unfilled. This second process is scheduled to close for applications on September 17, and the remainder of the committee membership is anticipated to be approved on October 22, 1992.

A full Committee meeting will be scheduled as soon as the second round process is completed in October. Meanwhile, we have enclosed the Metro CCI Bylaws, an information sheet about the Metro CCI, a map of the newly redistricted Metro districts, and a brochure about the current Metro Council.

If you have any questions regarding the Metro CCI, or your appointment, please call Judy Shioishi, in the Metro Council Office at 221-1646 extension 358.

Sincerely,

Councilor Jim Gardner

Mark Foye
6319 SW Beaverton-Hillsdale Hwy., #33
Portland, OR 97221

Dear Mr. Foye:

By now you've probably been informed that Metro has asked the Multnomah County Citizen Involvement Committee (MCCIC) to conduct another nominating process for the Metro Committee for the Citizen Involvement (Metro CCI). I want to personally let you know that this glitch in the nomination process has nothing to do with your selection as the nominee from Council District 3. The MCCIC simply did not follow the process required by the Metro CCI bylaws.

Since this is the first year of the Metro CCI, some members of the Metro Council felt strongly that the bylaws should be followed in order to guarantee a fair and open nomination process. We have asked MCCIC to do it again, to do it right and to give the original applicants (such as yourself) full consideration.

I have no reason to think that you won't once again be nominated to represent District 3. I hope MCCIC gets this done as quickly as possible so the full Metro CCI can be in place. I look forward to having the group review and suggest improvements to Metro's citizen involvement and information efforts.

Thank you for your patience with this (slightly) bungled start to the Metro CCI. Please give me a call if you have any other questions or would like to talk about the CCI or any other Metro activity.

Sincerely,

Jim Gardner

Mark L. Zusman, Editor
Willamette Week
2 NW Second Ave.
Portland, OR 97210

Dear Mr. Zusman,

Thank you for your article about the Metropolitan Greenspaces program in the Sept. 3 - 9 issue of Willamette Week. As writer Angela Wilson suggests, voters need to decide how important it is to protect vulnerable natural areas throughout the region and whether a bond issue (Measure 26-1) is the appropriate method. We noted some lack of information in the article, however, and would like to set the record straight for potential voters.

Ballot Measure 26-1 gives the people the opportunity to decide if now is the time to save some of the metropolitan area's greenspaces for future generations. As reflected in the public survey you cited in your article, 77 percent of the people believe that the amount of natural areas now in the metropolitan area is adequate. However, your article didn't note that 67 percent believe that the amount 20 years from now will be inadequate. Considering the number of people moving here in the next 20 years (nearly 500,000), the public needs to consider what quality of life they want for their children and their grandchildren.

Currently, only about 8 percent of the greenspaces regionwide are protected through public ownership (a total of 9,000 acres). Half of that total acreage is in Portland's Forest Park. The remaining 92 percent of natural areas are fast disappearing as the region's population grows.

The bond measure would allow purchase of about 7,000 acres of natural areas, wildlife habitat, stream corridors and trails. We are not asking voters at this time to approve funds for operation and maintenance. Since bond funds cannot be used for this purpose, Metro has committed existing funds to hold these lands on an interim basis. In the future, Metro will adopt a new funding source to pay for operation and maintenance costs when the lands are opened up for passive recreation activities.

As for expanding Metro's powers, the legislation (ORS 268) approved by the region's voters in 1978 allows Metro to "acquire, develop, maintain and operate a system of parks, open space and recreational facilities of metropolitan significance." Metro has simply not chosen to exercise this authority until now.

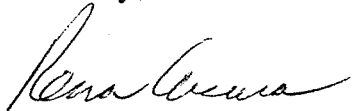

To clarify your article's example of the Peterkort property, Metro's overall objectives are to ensure an adequate transportation system with support for the westside light rail, provide for appropriate development around the transit station and protect some natural areas called for in the Greenspaces Master Plan. All three are desirable uses of this land and are potentially compatible.

Any funds raised by approval of ballot measure 26-1 would be spent on the Oregon side of the metropolitan region. While the Greenspaces program is a two-state effort, its funding and administration are carried out separately on each side of the Columbia River. Clark County will consider the appropriate financing methods to raise funds for Washington greenspaces.

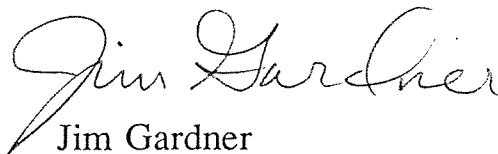

In closing, we want to clarify that the two representatives from Oregon who were the most help in obtaining federal funding for the start-up of the Greenspaces program were Congressman Les AuCoin and Senator Mark Hatfield.

We appreciate your coverage of the Metropolitan Greenspaces program and urge your readers to call Metro at 22-GREEN if they want more information.

Sincerely,

Rena Cusma

Attached is a letter to Michal Wert regarding concerns raised by JPACT and the Metro Council on the elimination of strategies from further consideration in the Western Bypass Study. One of the major areas of concern dealt with the question of whether ODOT is committed to fund the preferred alternative resulting from the study, regardless of the result, or only a Bypass option. Because of the new direction set in the Oregon Transportation Plan, increased flexibility for funding provided by ISTEA and the importance of completing the EIS in a manner unbiased by funding preferences, this is a significant policy concern. In addition, it has ramifications for other funding concerns throughout the region.

As a member of JPACT, could you please ensure this is addressed by the Oregon Transportation Commission and discussed further at JPACT.

Sincerely,

Jim Gardner
Presiding Officer

At the August 13, 1992 meeting of JPACT and the September 10, 1992 meeting of the Metro Council, the attached resolutions were adopted relating to elimination of two Western Bypass "Strategies" from further consideration in the "Alternatives" phase of the study. These resolutions include the following provisions.

1. The "Western Bypass Option B" is recommended to be dropped for further consideration.
2. The "Transit-Intensive" strategy is recommended to be dropped from further consideration. However, there are a number of conditions about the status of LRT as a result of this action:
 - a. Although a "Transit-Intensive" strategy, including LRT, is dropped from further consideration, a combination strategy which includes LRT, support bus services and needed highway projects should be evaluated further before the final alternatives are approved for inclusion in the Draft Environmental Impact Statement (DEIS). In this manner, a decision can be made as to whether a combination highway/LRT alternative should proceed into the DEIS, a combination highway/bus (with express HOV lanes) alternative should proceed into the DEIS or both.
 - b. All alternatives included in the DEIS should be designed in such a way to not preclude future implementation of LRT. In order to accomplish this, all alternatives approved for inclusion in the DEIS (particularly the non-LRT alternatives) should explicitly identify the intended location for future LRT to ensure future construction is not precluded.

MICHAL WERT
September 25, 1992
Page 2

- c. Another LRT alternative may be included in the DEIS through acceptance of the LUTRAQ alternatives for further consideration. If the LUTRAQ study, sponsored by 1000 Friends of Oregon, produces a viable land use/transportation alternative to the Bypass, it will be approved for inclusion in the DEIS. The LUTRAQ alternative and the other Bypass alternatives should be considered for approval for inclusion in the DEIS as a single consolidated action. If necessary, approval of the Bypass alternatives for inclusion in the DEIS should be delayed until the LUTRAQ alternative can also be considered.
- d. LRT is not being dropped from the Regional Transportation Plan (RTP) as a possible improvement in the Highway 217 Corridor. If a decision is made that LRT is not a viable component of the solution to the Western circumferential travel problem intended to be addressed by the Western Bypass, it will be retained in the RTP for other purposes.

In addition to action on these two "Strategies," we have concern about ODOT's commitment to fund the preferred alternative resulting from this process. If alternatives to a Bypass are evaluated in the DEIS, then the preferred alternative resulting from this process should be funded. The decision-making process should not be biased by the prospect of securing an Access Oregon funding commitment for the Bypass alternative while leaving the funding prospect for the other alternatives uncertain. This is particularly true under the flexibility provisions now available through ISTEA. Before the alternatives are approved for inclusion in the DEIS, we need to know the intent of the Oregon Transportation Commission on this matter.

Thank you for your consideration on these matters.

Sincerely,

Jim Gardner
Presiding Officer

Jim Gardner
Metro Presiding Officer

Dear Jim:

I noticed the article in the paper about the End of the Oregon Trail project and discussions you are having with Clackamas County and the trail committee about a bond issue. I was disappointed to learn that there might be a dispute about the governance and control of the funds. As I'm sure you remember, we worked very hard to design a system to handle these arrangements when we planned the operation of the Convention Center. If the project is going to be funded regionally, it must be governed regionally with Metro having at least the fiscal oversight. Appointment of a subsidiary commission responsible to the Metro Council is one way to accomplish this.

The funding package for the construction and operation of the Convention Center was complex and took considerable negotiation. It also took advocacy from the entire region. Remember Bud Clark's commitment and time he spent on the circuit? And the money raised by business for the election? This process was to be a model for future regional projects and I'll be very disappointed if you have to start from ground zero with each new request.

Please let me know if there is any way I can assist. I am now a rural Clackamas County resident, but remain a regional advocate. I look forward to hearing from you.

Sincerely,

Corky Kirkpatrick

3839 Pacific Avenue, #5
Forest Grove, OR 97116

Dear Mr. Chambers:

I am writing on behalf of the Metro Council to thank you for your application to the Metro Committee for Citizen Involvement (Metro CCI). Your name was not forwarded by your county's citizen involvement organization. However, we will retain your application material for consideration in the event the position you applied for is reopened.

Each of the county organizations commented upon the difficult choices required. Those involved with the selection process were impressed with the level of interest, the background and qualifications of the applicants. Your application was given careful consideration, and I am certain that the county groups would have been delighted to forward many more names to the committee.

As the Metro CCI progresses in its work, additional citizen participation opportunities are anticipated. One regional planning project where we look forward to your involvement is the Fourth Annual Regional Growth Conference this spring. As this and other plans develop, we will be sure to keep you informed.

Thank you again for your interest and patience during this process.

If you have any questions regarding the Metro CCI, or the appointment process, please call Judy Shioishi, in the Metro Council Office at 221-1646 extension 358.

However, we will retain your application material for consideration in the event the position you applied for is reopened.

Each of the county organizations commented upon the difficult choices required. Those involved with the selection process were impressed with the level of interest, the background and qualifications of the applicants. Your application was given careful consideration, and I am certain that the county groups would have been delighted to forward many more names to the committee.

As the Metro CCI progresses in its work, additional citizen participation opportunities are anticipated. One regional planning project where we look forward to your involvement is the Fourth Annual Regional Growth Conference this spring. As this and other plans develop, we will be sure to keep you informed.

Thank you again for your interest and patience during this process.

If you have any questions regarding the Metro CCI, or the appointment process, please call Judy Shioishi, in the Metro Council Office at 221-1646 extension 358.

Sincerely,

Councilor Jim Gardner
Presiding Officer

November 16, 1992

Mr. Steve Abeling
7619 SW Locust St.
Portland, OR 97223

Dear Mr. Abeling:

Some while ago I wrote to congratulate you on your appointment to the Metro Committee for Citizen Involvement. Now the rest of the appointments have been completed. As I wrote before, we are all looking forward to the committee's assistance.

Please mark your calendar for the Metro CCI reception and orientation/first meeting these will take place on December 9, 1992, at 6:45 and 7:15 p.m., respectively. The agenda and other orientation material have been attached.

This includes copies of the applications of all of the members. The Metro CCI Bylaws in Article V, Officers and Duties, require the election of: the Chair, Vice Chair, and three additional Metro CCI members, to form a steering committee at the first meeting.

You may want to review the membership, and come prepared to select the committee officers. If the member for a position is not present, the designated alternate will be voting in that member's place. So, both members and alternates are being provided this information. A Metro CCI roster is also enclosed to assist you in getting to know one another. You may wish to call other members or alternates to say hello prior to the meeting.

To help you keep your committee information organized, the material enclosed has been punched to keep in a 3-ring binder. A Metro CCI binder will be provided at the meeting on the 9th.

Again, if you need more information or have any questions regarding the Metro CCI, please call Judy Shioshi, in the Metro Council Office at 221-1646 extension 358.

Sincerely,

November 16, 1992

Mr. Bob Bothman
7365 SW 87th
Portland, OR 97223

Dear Mr. Bothman:

Some while ago I wrote to congratulate you on your appointment to the Metro Committee for Citizen Involvement. Now the rest of the appointments have been completed. As I wrote before, we are all looking forward to the committee's assistance.

Please mark your calendar for the Metro CCI reception and orientation/first meeting these will take place on December 9, 1992, at 6:45 and 7:15 p.m., respectively. The agenda and other orientation material have been attached.

This includes copies of the applications of all of the members. The Metro CCI Bylaws in Article V, Officers and Duties, require the election of: the Chair, Vice Chair, and three additional Metro CCI members, to form a steering committee at the first meeting.

You may want to review the membership, and come prepared to select the committee officers. If the member for a position is not present, the designated alternate will be voting in that member's place. So, both members and alternates are being provided this information. A Metro CCI roster is also enclosed to assist you in getting to know one another. You may wish to call other members or alternates to say hello prior to the meeting.

To help you keep your committee information organized, the material enclosed has been punched to keep in a 3-ring binder. A Metro CCI binder will be provided at the meeting on the 9th.

Again, if you need more information or have any questions regarding the Metro CCI, please call Judy Shioishi, in the Metro Council Office at 221-1646 extension 358.

November 16, 1992

Ms. Gail Cerveney, Member
1675 SW Battaglia
Gresham, OR 97080

Dear Ms. Cerveney:

On behalf of the Metro Council, I am pleased to inform you that you have been confirmed as a member of the Metro Committee for Citizen Involvement (Metro CCI). Congratulations! As I wrote last week, we are all looking forward to the committee's assistance.

In that same letter, I referenced some enclosures which were omitted. Evidently in the rush to be sure you were invited to the Council meeting, they were left out. These are enclosed today.

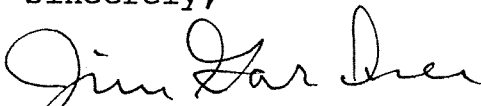

Additional material about the Metro CCI reception and orientation/first meeting is now available. This includes: the agenda, and copies of the applications of all of the members. The Metro CCI Bylaws in Article V, Officers and Duties, require the election of: the Chair, Vice Chair, and three additional Metro CCI members, to form a steering committee at the first meeting.

You may want to review the membership, and come prepared to select the committee officers. If the member for a position is not present, the designated alternate will be voting in that member's place. So, both members and alternates are being provided this information. A Metro CCI roster is also enclosed to assist you in getting to know one another. You may wish to call other members or alternates to say hello prior to the meeting.

To help you keep your committee information organized, the material enclosed has been punched to keep in a 3-ring binder. A Metro CCI binder will be provided at the meeting on the 9th.

Again, if you need more information or have any questions regarding the Metro CCI, please call Judy Shioishi, in the Metro Council Office at 221-1646 extension 358.

Sincerely,

Councilor Jim Gardner

Ms. Sheri Wantland
234 Cervantes
Lake Oswego, OR 97035

Dear Ms. Wantland:

On behalf of the Metro Council, I am pleased to inform you that you have been confirmed as an alternate to the Metro Committee for Citizen Involvement (Metro CCI). Congratulations! As I wrote last week, we are all looking forward to the committee's assistance.

In that same letter, I referenced some enclosures which were omitted. Evidently in the rush to be sure you were invited to the Council meeting, they were left out. These are enclosed today.

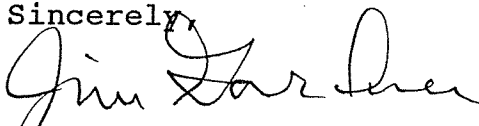

Additional material about the Metro CCI reception and orientation/first meeting is now available. This includes: the agenda, and copies of the applications of all of the members. The Metro CCI Bylaws in Article V, Officers and Duties, require the election of: the Chair, Vice Chair, and three additional Metro CCI members, to form a steering committee at the first meeting.

You may want to review the membership, and come prepared to select the committee officers. If the member for a position is not present, the designated alternate will be voting in that member's place. So, both members and alternates are being provided this information. A Metro CCI roster is also enclosed to assist you in getting to know one another. You may wish to call other members or alternates to say hello prior to the meeting.

To help you keep your committee information organized, the material enclosed has been punched to keep in a 3-ring binder. A Metro CCI binder will be provided at the meeting on the 9th.

Again, if you need more information or have any questions regarding the Metro CCI, please call Judy Shiochi, in the Metro Council Office at 221-1646 extension 358.

Sincerely,

Councilor Jim Gardner

Re: Council Workshop

Based upon a request of a majority of the Council there will be a Council Workshop on Saturday November 21, 1992 in Room 335 of the Metro Center starting at 10:00 a.m. and ending no later than 4:00 p.m.

The purpose of the Workshop is to discuss Charter implementation issues and other Council business. Please let the Council Office no if you cannot attend since we will provide box lunches for the day.

RE: METRO CCI - REVISED AGENDA

A revised agenda is attached, I wanted to call your attention to the portions that had been changed, and highlight the start time.

RECEPTION - PLEASE NOTE TIME

Although this is not a change from the original agenda, an earlier request was made of some of you to mark your calendars for 6:30. It has been moved 15 minutes, to ensure the Regional Policy Advisory Committee (RPAC) meeting has concluded. The members (including three Councilors) have been invited to stay for the reception. We hope to allow greater participation.

ORIENTATION - ADDITIONAL OPPORTUNITY TO SEE WHO'S WHO

At the very start of the orientation, we'll have a brief round of introductions, so you will have another opportunity to associate names, faces and applications.

MEETING - CHANGE IN SWEARING IN

Past Metro practices have had swearing in ceremonies only for elected officials, consequently, the oath of office is only applicable for those positions. We recognize that each of you on this committee has been officially appointed to your position by the pair of resolutions you will find in your notebooks.

To provide continuity, I have been asked to continue to lead the meeting until you have elected your chair. Staff will have ballots prepared to facilitate the completion of the election, and if I can be of further assistance, I will be happy to do so.

I look forward to seeing you on the 9th.

New Metro citizen involvement committee named

The Metropolitan Service District has selected members and alternates from around the region to serve on the agency's first Committee for Citizen Involvement.

The Metro Council selected the second-round phase of membership during its Nov. 12 council meeting. The first round of members and alternates was completed in August.

The committee consists of 19 members and 19 alternates, although there are a few remaining vacancies that will be filled as committee work progresses and additional citizens express an interest in serving. Meetings will be held monthly, with the first one in December. Officers will be elected during the first meeting.

The goal of the committee is to incorporate citizen participation more fully into Metro's programs. Committee responsibilities will include: assisting with the development, implementation and evaluation of its citizen involvement program and advising the Regional Policy Advisory Committee in ways to involve citizens in regional planning activities.

Committee members and alternates are:

- Position 1 — Timothy R. Drain (Aloha), alternate.
- Position 2 — James B. Langston (Beaverton), member;
Steve G. Abeling (Portland), alternate.
- Position 3 — Teresa M. LaHaie (Portland), member;
Mark P. Foye (Portland), alternate.

- Position 4 — Wandama Githens (Tigard), member;
Sheri Wantland (Lake Oswego), alternate.
- Position 5 — Sidney I. Bass (Lake Oswego), member;
Pam Mattsson (Oregon City), alternate.
- Position 6 — William Pendarvis (Clackamas), member;
Scott Leeding (Clackamas), alternate.
- Position 7 — Gail A. Cerveney (Gresham), member;
Linda Bauer (Portland), alternate.
- Position 8 — Chris Overton (Portland), member;
Aaron E. Ellis (Portland), alternate.
- Position 9 — Dan Small (Portland), member;
Sharon A. Khormooji (Portland), alternate.
- Position 10 — Alice P. Blatt (Portland), member;
Franklin D. Jenkins (Portland), alternate.
- Position 11 — Julie S. Omelchuck (Portland), member;
Donald B. MacGillivray (Portland), alternate.
- Position 12 — Rick Lee (Portland), member;
Jeff W. Darden (Portland), alternate.
- Position 13 — Geoffrey W. Hyde (Portland), member;
Clare E. Perry (Beaverton), alternate.
- Position 14 — Ulrick (Ric) Frederick Buhler (Sandy), member;
Jean Connolly (Wilsonville), alternate.
- Position 15 — Vacant.
- Position 16 — Christine M. Clark King (Hillsboro), member.
- Position 17 — Cheryl Broetje-McLaughlin (Milwaukie), member;
Bill Merchant (Oregon City), alternate.
- Position 18 — Katherine Cheney (Portland), member;
Angel Olsen (Gresham) alternate.
- Position 19 — Robert Bothman (Tigard), member.

For additional information, contact Judy Shioshi in the Metro Council office, at 221-1646, ext. 358.

RE: Presiding Officer
race

Wouldn't it be easier if you pulled together?

Some of you may be wondering, "What's this now, some sly attempt to change my vote for P.O.?"

No, it is not.

For better or worse, most of the council has settled in to supporting either me or Judy, and there's little (short of outright bribery) that's going to change those positions.

I just wanted to let everyone know that the unresolved P.O. issue, while adding a level of uncertainty to many things, is not preventing work from going forward on the "organizing" of the council for next year. You have already gotten a questionnaire about council committee preferences. I plan to use that information to try to create committees that function smoothly, contain a cross-section of viewpoints reflecting the council as a whole, and wherever possible follow the preferences you expressed.

I hope Judy will avail herself of the same information, for the same purposes, so the council can be ready to go in January regardless of who is P.O.

We have many far more important details to work out related to implementing the Metro charter, so the choice for P.O. seems almost trivial in comparison. I do not consider it so. You may notice, though, that I am not devoting large amounts of time speaking to each of you about the P.O. race. This is due to the many other issues and discussions that relentlessly go on, that don't suddenly go on "hold" while we make up our collective mind about who will be P.O. So I'm taking this approach to let all of you know: I want to continue as P.O. next year because of what I might be able to help do, not what I'll be or what I'll be paid. For those same reasons, I'm not spending a lot of time now on lobbying for your support. It doesn't mean I don't want your support -- I both want and need it. But I'm not going to neglect the real business of the council and of Metro in that quest.

December 9, 1992

The Honorable Dick Springer
State Senator
7624 SE 13th Ave.
Portland, OR 97202

Dear Dick:

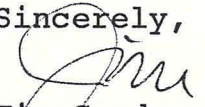

I'm pleased the Committee on Agriculture and Natural Resources is wasting no time in reviewing the recommendations of the Governor's Task Force on Vehicle Emissions Reduction. I'm confident your committee will conclude, as did we on the Governor's Task Force, that these recommendations represent a careful and responsible approach to maintaining air quality in the Portland metropolitan area.

As the Task Force completed its work this past year, one fact kept standing out: There is no real alternative but to meet the new Clean Air Act requirements. Nonattainment of air quality standards brings consequences which are far worse for the region's economic health than any of the measures being recommended to keep us in attainment. I hope the Legislature keeps this ever in mind as you discuss this issue and, I'm sure, receive testimony about the individual and collective economic impact of the recommendations.

I regret I won't be able to attend your discussion on December 14 due to another obligation. The Governor's Task Force recommendations have my full support and you'll surely see me in front of you as an advocate on future occasions. During the Task Force's deliberations I supported a number of other measures, such as fees on employer-provided parking, that could have even greater benefits for air quality than the final package of recommendations. Please call on me if you or your committee would like to hear about some of these other approaches. This might help frame the context from which emerged the moderate, consensus-based recommendations of the Task Force.

I noticed a few days ago that the EPA released a new list of nonattainment areas and the only Oregon listing was a part of Lane County. While I'd prefer not to see Oregon on the list at all, this is confirmation of the great air quality improvement the Portland metro area has made over the last few years. But rapid growth, especially in the auto-dependent suburban areas, could undo all our efforts unless we take some new approaches to the problem. The Governor's Task Force recommendations are a good start. Again, my thanks for getting to work quickly on this important issue.

Sincerely,

Jim Gardner
