1:40 p.m.	Traveler Information for 25 Years through TripCheck Oregon Department of Transportation celebrated the news last month that TripCheck.com continues to serve the traveling public after 25 years. Brent Atkinson leads the TripCheck Team and facilitates partnerships across cities, counties and other operators to update planned road closures, provide real-time alerts and share traffic cameras. Partnerships extend to Waze, Oregon State University, University of Maryland Regional Integrated Transportation Information System (RITIS) and the Transportation System Management and Operations program. TripCheck plays a vital role when roads close for crash investigation, snow or forest fires while also helping avoid delay when headed out on vacation. Brent will share recently released features including how commercial apps tap into streaming data, plus direction for future partnerships and innovation.	Brent Atkinson (ODOT) / All

2:10 p.m. Portal Enhancements for 2026

[Portal and BikePed Portal](#) continue to provide a central place for data, with visualizations and downloads. Tammy Lee at Portland State University will lead enhancements and host workshops based on partner input. What are you interested in participating to meet needs and advance data science in our region? Tammy will summarize input received from the Portal Users Group and collect your ideas. Ideas can be adding a new data source, updating a current page, creating a new visualization tool or suggesting a training.

Tammy Lee,
PhD (PSU
