Metro

600 NE Grand Ave.
Portland, OR 97232-2736

Date: December 28, 2022
To: Metro Council
From: Becky Shoemaker, Metro Records Manager/Archivist
Subject: Ordinance No. 98-753

98-753: Title refers to "Designated Facility Agreement for North Wasco County Landfill"

NOTE TO FILE: The ordinance number was not used; no documentation available. Two different numbers were issued for the North Wasco County Landfill DFA ordinance (98-753 and 98-756). This request for an additional number may have occurred because of substantial changes in the format of the ordinance, or perhaps there was simply a misunderstanding between our office and the Council Office.
