600 NE Grand Ave.
Portland, OR 97232-2736

Date: December 28, 2022
To: Metro Council
From: Becky Shoemaker, Metro Records Manager/Archivist
Subject: Ordinance No. 98-773

TITLE: *98-773: Title refers to "PDX Lease Composting Facility License"*

NOTE TO FILE: Withdrawn before drafted; no documentation available.

The Regional Environmental Management (REM) department secured an ordinance number for this item, but never actually initiated any paperwork because the City of Portland had a delay in the application process for this facility related to land use approval. In fact, the city ended up selecting a different location for this facility, and that license ended up going to Council as Ordinance 99-806.
